## Lashes that fit your life(style).

---

Accentuate your natural assets or dial up the drama to full volume. Choose your signature style and let our expert technicians know if you're after a more natural look or want to bring on the drama (all styles can be adjusted based on desired intensity).

### COQUETTE

Less than half of a set of lashes demurely placed at the outer edges of the eyes.

Create the ultimate "come hither" gaze. These sexy beauties are perfect for fluttering and flirting.

### BOHO

Create the illusion of wider, batable, oh-so-innocent eyes.

Hello, dollface. These beauties are shorter at the corners of the eyes and longer in middles, enhancing the illusion of wider, batable, oh-so-innocent eyes.

### TEMPTRESS

An exotic and luxurious cat-eye to channel your inner Marilyn Monroe.

Sexy and universally flattering, this luxurious cat-eye style starts out shorter at the inner corners and flares at the ends. These exotic lashes are all about timeless glamour.

### VIXEN

A variety of lash lengths to provide a lusciously full, multi-dimensional look.

Turn heads with luxe lash style. Allow us to select a variety of different lash-lengths that compliment your own natural lash line, creating a complex, multi-dimensional look.

# Select Your Lash Material

Whatever your price point, BlinkBar has the perfect lash option for you. Rest assured that all of our lash materials are top-of-the-line quality, leaving competitive salon offerings in the dust.

**\$120** / FULL SET, **\$59** / FILL

## SYNTHETIC

Where other salon's material grade stops, BlinkBar's begins. There's nothing basic about these babies, and we offer them for a fraction of the price of competitors.

**\$200** / FULL SET, **\$100** / FILL

## OMBRÉ

Pure black lashes feeling too plain Jane? Our Ombré lashes start out blackest black at the base and fade to a whisper of color at the tips. Hello rockstar glam!  
Available in maroon, amethyst, sapphire or emerald.

## MATTE

Play up your "au natural" with our anything-but-flat matte lashes. What they lack in luster they make up for in honest-to-goodness appeal. The perfect choice if you're inclined to skip mascara—no one will know these aren't the real deal.

## SILK BLEND

Our Silk Blend lashes combine synthetic lashes with the industry's best silk quality. With a shiny, jet-black finish for extra luster and drama.

## FEATHERLASH®

Our proprietary, one-of-a-kind FeatherLASH® lashes are ultra-weightless and add mega length and drama. Thanks to their hollow core, these beauties essentially suction to your natural lashes, ensuring zero damage and extra-oomph.

**\$350** / FULL SET, **\$175** / FILL

## 100% SIBERIAN MINK

For babes who only fly first class. Our Siberian Mink lashes are super glam, softer-than-soft, and of course, 100% cruelty-free. Treat yourself.

## VOLUME LASH

Never-to-be-confused with cluster lashes, our Volume Lash lashes are hand-built on the spot for the fluffiest, most luxurious volume you've ever seen. Multiple ultra-lightweight extensions are placed per natural lash. 2.5-hour appointment time required

Make your BlinkBar bat-ables even more one-of-a-kind with our signature add-ons.

### OMBRÉ COLOR BOOST

Looking for a little added “oomph?” Try adding on just a few of our ombré lashes for a subtle pop of color. Barely there allure to inspire double takes.

---

FULL SET COLOR BOOST **+ \$25**

FILL COLOR BOOST **+ \$15**

Available in maroon, sapphire, amethyst, or emerald

### FULLNESS BOOSTER

Thin lashes got you down? Our Fullness Booster is just what the doctor ordered. This extra application still feels lighter than air and totally natural, but adds a much-needed dose of drama. Give Mother Nature a little extra love.

---

FULL SET FULLNESS BOOSTER **+ \$80**

FILL COLOR BOOSTER **+ \$40**

### ACTIVELASH™ ADHESIVE

Upgrade your surgical grade lash adhesive to ActiveLash™ and you're good to go! Perfect for girls on the go, there's no need to keep these lashes dry for 24-48 hours or avoid products that contain oil (perfect for oily skin types).
